

There are two parts to the "Woven Faces" project, there is a piece on either side of the curtain. You will be asked first to look at the piece on the side marked on the envelope (for example A) and answer several questions.

When finished with your answers proceed to other side (for example B).

When finished answering questions from both sides, place the paper with your written answers in the envelope provided. Place the envelope in the holder on the wall next to where you picked up the blank questionnaire, marked "completed."

1. CONFIRM you are in space A or B as indicated on envelope.

2. Please look at the piece on the wall for 1-2 minutes alone in silence.

3. Write the answers to these questions;

A. Please describe in writing in a free flowing manner what you are feeling in response to the piece. You can describe emotions, things that you are reminded of or a particular experience.

B. Write one word that best describes the emotion you are most feeling in response to the art work. \_\_\_\_\_
